NIGHT INCIDENT

Report

Attended Phone ■ Site □ Department Engineering Scope Yes □ No ■ System System System description Describe the incident The technician said after the module opened the activity inlet valve some drops arrived and the activity inside the norcell increased Solved? Yes ■ No □ Derived? Yes □ No ■ To whom? Yes - Site	Site	A Novartis Company Murcia
Attended Phone Site Department Engineering Scope Yes No System Describe the incident The technician said after the module opened the activity inlet valve some drops arrived and the activity inside the norcell increased Solved? Yes No Derived? Yes No Fo whom? Yes - Site Yes - Production Yes - Yes - Yes - Yes - Qe Others Who is other? Who is other? Production affected? No Yes - Totally cancelled Yes - Partially cancelled Yes - Delayed Any comment?		
Phone Site Department Engineering Scope Yes No System System System description Describe the incident The technician said after the module opened the activity inlet valve some drops arrived and the activity inside the norcell increased Solved? Yes No Derived? Yes - Totally cancelled Yes - Production Yes - Production Yes - Delayed Any comment? Any comment?		
Describe the incident The technician said after the module opened the activity inlet valve some drops arrived and the activity inside the norcell increased Solved? Yes No Derived? Yes No Prowder: Yes - Site	Attended	
Engineering Scope Yes No System System description Describe the incident The technician said after the module opened the activity inlet valve some drops arrived and the activity inside the norcell increased Solved?
